We have 44 youth joined our Pack this year. The excitement is in the air, new cubs want to know what they will learn and old cubs want to continue the fun they used to have from previous scouting years. The thought in the minds of the Scouters is "Wow, what do we do with all of these kids?" The key to succeed is the connection between parents and the Scouters. We believe our parents will be more likely to get involved if they understand the expectations, know when meetings/outings are and see the fun their children enjoy. Doing things together always makes the bond stronger. We hope you will enjoy our newsletter and get involved.
